

Shasta County Fingerprint Identification (FID) Fee

New Policy

Effective December 1, 2012, Shasta County (county code 45) will no longer participate in the Fingerprint Identification (FID) program.

Procedures

Do not collect the FID fee for vehicles with a Shasta County registration address or a Shasta County allocated county status if the vehicle registration fees are due on December 1, 2012, or later. Process as normal; the program will not collect the Shasta County FID fee for vehicle registrations due on or after December 1, 2012.

Background

California Vehicle Code §9250.19 provides funding for the purchase, operation, and maintenance of fingerprinting equipment used by local law enforcement.

The department assesses \$1 on all vehicles registered within participating counties for the purpose of funding the FID program. An additional \$2 applies to Commercial Vehicles Registration Act (CVRA) vehicles registered in those counties.
